

1955 . . . Now that was a good year!

Those were the Good Ol' Days?

An OWLWorks Project
Presented by Michele Jackman

Those were the Good Ol' Days?

Did you hear the post office is thinking about charging 7 cents just to mail a letter?

Those were the Good Ol' Days?

If they raise the minimum wage to \$1.00, Nobody will be able to hire outside help at the store.

Those were the Good Ol' Days?

When I first started driving, who would have thought Gas would someday cost 25 cents a gallon?

Guess we'd be better off leaving the car in the garage.

Those were the Good Ol' Days?

Did you see where some baseball player just signed a contract for \$50,000 a year just to play ball?

It wouldn't surprise me if someday they'll be making more than the President.

Those were the Good Ol' Days?

I never thought I'd see the day all our kitchen appliances would be electric.

They're even making electric typewriters now.

Those were the Good Ol' Days?

It's too bad things are so tough nowadays. I see where a few married women are having to work to make ends meet.

Those were the Good Ol' Days?

It won't be long before young couples must hire someone to watch their kids so they can both work.

Those were the Good Ol' Days?

I'm afraid the Volkswagen car is going to open the door to a whole lot of foreign business.

Those were the Good Ol' Days?

Thank goodness I won't live to see the day when the Government takes half our income in taxes. I sometimes wonder if we are electing the best people to government.

Those were the Good Ol' Days?

The fast food restaurant is convenient for a quick meal, but I seriously doubt they will ever catch on.

Those were the Good Ol' Days?

There is no sense going on short trips any more for a weekend. It costs nearly \$2.00 a night to stay in a hotel.

Those were the Good Ol' Days?

No one can afford to be sick anymore.

At \$15.00 a day in the hospital; it's too rich for my blood.

Those were the Good Ol' Days?

If they think I'll pay 30 cents for a haircut, forget it.
